January 20, 2014

Vice Chairman Ross Conran called the meeting to order at 6:00 P.M.

Commissioners present:

Ross Conran	Duane Young
Justin Longstreth	Brian Bacon
Aaron Konn	

Commissioners absent: Chairman Mike Schmidt

Minutes

Motion by Longstreth with second by Konn to approve the minutes of the regular Planning Commission meeting of December 11, 2013 as presented. Motion carried.

Citizens Input & Suggestions There were none.

Discussion on Master Plan-Community Goals and Objectives

Using the "Community Goals and Objectives" section of the Master Plan as an example, Planning Director, Steven Patrick requested input from the Planning Commission on the manner in which they would address certain goals and objectives in the Master Plan.

Mr. Patrick stated that the current Master Plan has very specific projects spelled out in it.

Commissioner Konn stated that the Master Plan should foreshadow the ideas and not the plans.

Commissioner Longstreth stated that an issue, such as sidewalks, that is of importance to residents should be mentioned in the Master Plan but the specifics or certain project, should not be spelled out.

The Community Goals and Objectives Chapter of the Master Plan were assigned to Ross Conran to review and revise with fewer specifics.

Discussion on Master Plan-Recreation

The Recreation section of the Master Plan was recently reviewed and revised by Commissioners Young, Bacon and Recreation Director Matt McKinnon.

Much discussion was held on the future growth of the recreation program and the possibility of the need for more facilities to utilize in the future as the program grows and improves.

While the Commissioners were satisfied with a majority of the recent revisions to the recreation section, A few suggestions were made to Recreation Director, Matt McKinnon, to generalize certain areas and remove the specifics that were spelled out in the plan.

Adjourn

Meeting was adjourned at 7:04 P.M.
