Services:

Emergency Services Funding: The Department staff process emergency applications for the Michigan Veterans Trust Fund and applications for the funding available through the Ottawa County Veterans Affairs Committee. A major focus of this work is to provide one-time financial assistance to help veterans overcome emergent situations that have caused personal hardship. In addition to assisting with the application process, staff work very closely with community social service organizations and frequently refer veterans for other community services for which they may qualify.

County Burial Allowance: The Department staff process the applications for the Ottawa County Veteran's Burial Allowance.

Federal VA Benefits: A certified Veterans Service Officer is available in Ottawa County every Tuesday and Wednesday to assist veterans in applying for VA Benefits and to address questions regarding services available through the Veterans Administration. The Service Officers are seen by appointment or on a walk-in basis at the Department of Veterans Affairs in Holland.

The staff from the Ottawa County Department of Veterans Affairs looks forward to serving our Ottawa County Veterans.
